## Green Initiative in the Corporate Governance

Dear Shareholders,

The Ministry of Corporate Affairs ("MCA") has taken a 'Green Initiative in the Corporate Governance by allowing paperless compliances by companies vide its Circulars Nos. 17/2011 dated April 21, 2011 and 18/2011 dated April 29, 2011 stating that the service of documents by the companies to its members can be made through electronic mode.

The advantages of sending documents in electronic mode are:

1. Receive communication promptly;
2. Reduce paper consumption and save trees;
3. Eliminate wastage of paper;
4. Avoid loss of documents in postal transit; and
5. Save costs on paper and on postage, etc.

Considering the move taken by the MCA as a welcome step for the society at large, the Company has started sending documents such as notices of general meeting(s), audited financial statements, auditor's report, directors' report etc. to the shareholders through e-mail. Please note that all such documents are also available on the Company's website [www.accelfrontline.in](http://www.accelfrontline.in).

We solicit your valuable cooperation and support in our endeavor to contribute our bit to the environment.
